

Technical Data

Product: "micro" Straight through valve - without connection flanges
Part No.: 28445

Nominal size:	male thread M14 x 1 - without connecting flanges D _i = 5 mm
Drive configuration:	electromagnetic - normally closed
Mains connection:	24 V DC, ±10%
Operating range:	1.0 x 10 ⁻⁸ - 1000 mbar
Service life:	> 2 million cycles
Conductance at molecular flow:	0.2 l/s
Leak rate:	1.0 x 10 ⁻⁹ mbar l/s
Differential pressure	
Closing direction:	5 bar
Opening direction:	1.5 bar
Admissible ambient temperature:	5 - 40°C
Material housing:	Stainless Steel
Material bellows:	Stainless Steel
Material seals:	Viton / FPM / FKM
Weight:	0.30 kg
